METACLEAN

CLEANER AND DETERGENT SPRAY FOR METALS

CHEMICAL BASE

BASE: mixture of solvents and degreasers with low superficial tension
ASPECT: transparent liquid
PROPELLENT: denaturated, hodourless, nontoxic hydrocarbures
Odourless, colourless
Rapid evaporation

DESCRIPTION:

Metaclean is a degreaser and cleaner spray for metals. It eliminates any kind of dirt present on the metal:oil spots, grease spots, encrustations, tar, carbon residues and glues. It quickly evaporates without leaving grease residues.

It is indicated also for stainless steel, aluminium.

APPLICATION

Shake the can before the use.
Spray on the treated surface and clean it with a cloth or compressed air.

MANUFACTURE

COD. 16610/04
AEROSOL ml 400
Box of 12 pieces
